WILLIMANTIC

NORWICH BULLETIN WILLIMANTIC OFFICE

the gaunties of the local police department late Friday night are included in the ever-increasing list of law violators in this respect who have become entangied in the chutches of the Willimantic authorities alone this profitable but harardous pastime came into vogue. The owner and driver of the machine got away, but his Packard twin-six touring car, partaily wrecked, is stored in a local garage and his lead of gin in sealed bottles has for the most part seeped into the ground, this side of Paper Mill bridge at South Chapin. That the driver of the car and his companion were not instantly killed when their powerful car, traveiling at tep speed, averturned at the deadly curve approaching the bridge, is considered miraculous.

The car bore Connecticut license plates No. 22,452 and in the machine were the gauntiet of the local police depart-ment late Friday night are included in the

til Monday morning June 6 bonds being fixed at \$300. In the meantime, with the aid of the Waterbury police an effort will be made to locate Braun.

steeped on his gas. He came through the main streets of the city at breakneck speed with the officers following and harely sed a collision with a freight train at the Main street crossing. Levy afterwards admitted to the authorities that they came through the city about.

The senior class of Winsham High fifty miles an hour and at times were "hitting eighty." Braun, intending to go to Putnam missed his road and got on the highway leading to Windham Center. The officers in the pursuing ma-chine, Patrolman John Killiourey and Frank McLean, surmised that the inten-Frank McLean, surmised that the intention of the runners was to go by way of Putnam and proceeded to North Windham where they lay in wait. Their conjecture proved correct and the boose runner turned off this side of Windham Center and drove to North Windham by way of a back road. Here they were halled once more by the officers, one of the law. The case against Burns was fifty the latter getting out of the machine to step on the running board of the car when Braun once more "gave her the when Braun once more "gave her the way on the active onto the main highway on two wheels. Several shots were fred at the fleeing car but only served to make the driver speed up more. The officers once more gave chase and at South Chaplin came upon the day. the latter getting out of the machine to city, step on the running board of the car Me and at South Chaplin came upon the wrecked car, which had tried to make a hairoin curve at high speed, cranhed through a fence an doverturned. A few sche feet further and the machine would have at the sither crashed headon into an iron pier held to the action of the hidder or turbiled to the poles. of the bridge or tumbled to the rocks below. Practically all of the gin which was in loose bottles was destroyed, only few bottles remaining unbroken. The bottles of the size known as "fifths" were abeled "El Bart Dry Gin" battled at the Camberwell distilery by Sceats and Willis

Thompson, proved a decided success.

Several buildings in and around Westerly were struck by lightning during the terrific tempest of Sunday afternoon, and the Westerly fire department had to be called to extinguish one of the fires that were started. Two houses on West Broad street and holes made in the roofs, but no fire resulted. At about 3 o'clock a boil hit the wires in the P. H. Opie company store on High street and the Cyclone truck had to be called to extinguish the fiames that resulted. Practically no damage was done.

In addition to the damage caused by the lightning, the rain, which came down in sheets, made many of the side streets impassable and small washouts were reported at several places. The streets on the side hills became small torrents as the rain continued to fall, and the whole of Wilcox park resembled a big lake.

The storm continued all afternoon, so the storm continued all afternoon, so the proper six years and was very company to the streets were properly in the storm continued all afternoon, so the proper pastor of the church, would arrive in Westerly during the next few days for a rest. Father McOscar was in charge of the mrish over six years and was very

Wednesday. A method of breaking the alcohol Lab; that is just as effective as the Volstend amendment is shown in "Behold My Wife!" George Melford's picture of the Canadian Northwest that is now showing

According to the story, the youthful hero, after marrying a crude Indian girl and sending her back to England to distrace his family in return for the sorry trick they have played him, proceeds to hit the chutes. He becomes a drunken wanderer. The leader of a gang of surveyors, about to venture into the Canadian wilds, comes upon him back to the straight and narrow. His method is simple. For every drink the young man takes, he must fight the burly surveyor. The former takes many a beating in the process of banishing John Barleycorn. Then one day he is able to lick the surveyor and carms his drink. It is then that he discovers that he doesn't want it.

"Behold M. Wife!" is a Parameunt picture with Elliott Dexter, Mabel Julienne Scott, Ann Forrest and Milton Silis in the cast. it the Davis theatre. According to the story, the youthful

charge of the arrangements.

MURRAY'S BOSTON STORE

MEMORIAL DAY

Today the country pauses in the hurry of its every day life to pay honor and to reverence the soldiers, living and dead, who have fought to maintain the ideals of the nation from the time when it was in its infancy until the present.
